## Benefits of Attending This Workshop:

- Start using the *7 Proven Strategies for Raising Capital Every Quarter* from family offices and high net worth prospects, these are actionable strategies that anyone can implement to raise more capital
- Discover the four \$100,000 mistakes are almost always made while raising capital in this marketplace and how you can avoid those and use these mistakes of others to your advantage
- Avoid the costly common compliance pitfalls of raising capital in this area including a live Q & A session with a leading fund compliance attorney with specific experience in crafting capital raising agreements
- Take advantage of the 1 full hour of post event capital raising strategy and marketing material feedback from Richard Wilson. This allows you to apply what you have learned, explain how you are trying to raise capital and get direct email feedback from Richard Wilson on what you could consider changing and improving.

**Workshop Trainers:** Richard Wilson will be the main trainer at this workshop. Richard Wilson has raised capital from family offices and he has just interviewed over 30 single and multi-family offices in the past 8 weeks while writing a book on exactly how family offices are allocating capital right now and selecting investment fund managers to invest in.

The workshop will also feature industry veteran guest speaker Douglas M. MacLean who will provide advice on the compliance pitfalls to avoid while raising capital and he will also be holding Q & A session as well.
